Grade 10-12 Course Request Form 2026-2027

Student Name: _____ Registering for Grade: _____

TnT: _____ TnT Teacher: _____

The courses selected on this form are requests. Every effort will be made to meet all student requests but cannot be guaranteed. We've attempted to offer a variety of course options, but the 2025/2026 timetable will be built based on the requests of students. Therefore, course selection should be carefully considered as this will impact course availability.

Please SELECT 10 COURSES (not including earlybird or noon-hour). Spare periods may be organized at a later date through guidance & the Vice Principal.

Prerequisite information can be found in the Course Catalogue on the school website. Courses listed with the same course code (4-digit number) are considered LIKE courses and will only be granted one credit by the Ministry of Education.

Note: MODIFIED course selections must be pre-approved.

Students registering for courses through Campus Regina Public must include the CRP registration package with this form. CRP registration information can be found in the Thom Guidance Department or at the main office.

Any courses that are listed with an * are elective courses and have an associated fee.
