

# CAREER SPOTLIGHT PERMISSION FORM

## Careers in Dentistry

Regina District Industry Education Council (RDIEC) represents Regina Public School Division, Regina Catholic School Division, Prairie Valley School Division and File Hills Qu'Appelle Tribal Council. The RDIEC organizes Career Spotlights which provide an opportunity for interested Grade 10-12's to obtain information about a specific career area. The presenters indicate to the students what they do in their jobs, why they got involved in their profession and what they perceive to be the challenges and rewards of their particular occupation. For more information about Career Spotlights, please visit [www.RDIEC.ca](http://www.RDIEC.ca)

This spotlight will focus on careers in the dental field. Students will start the spotlight at Campus Regina Public with a pizza lunch and will then be bussed to the **Regina Lakeview Dental Centre with Dr. Drew Krainyk** to hear about the field of Dentistry with a focus on the role of the Dentist. Students will then spend the afternoon at **Sask. Polytechnic** for a tour of the facility, learn about admission requirements for the programs they offer as well as participate in hands on activities led by current Hygiene / Assisting students.

Students should be interested in science and health related careers as well as perform at an academic level necessary to enter into post-secondary studies in the above areas. The school will allow students to attend and the absence will be excused but students are responsible for all material missed in class that day. If you have any questions or concerns, please feel free to contact [renette.edgar@rdiec.ca](mailto:renette.edgar@rdiec.ca) or phone (306) 533-4769

Your student has expressed an interest in attending the following career spotlight:
