Regina District Industry Education Council (RDIEC) represents Regina Public School Division, Regina Catholic School Division, Prairie Valley School Division and File Hills Qu'Appelle Tribal Council. The RDIEC organizes Career Spotlights which provide an opportunity for interested Grade 10-12's to obtain information about a specific career area. The presenters indicate to the students what they do in their jobs, why they got involved in their profession and what they perceive to be the challenges and rewards of their particular occupation. The students are then involved in an activity which demonstrates some aspect of the presenters' work world and/or a tour of the facility. For more information about Career Spotlights, please visit www.RDIEC.ca

This spotlight will focus on the career opportunities in **Naturopathic medicine**. The students will spend the afternoon at **Campus Regina Public**. Students will meet at Campus Regina Public at 1069 14th Ave. East. Students must arrive 10 minutes prior to the presentation. The school will allow students to attend and the absence will be excused but students are responsible for all material missed in class that day. If you have any questions or concerns, please feel free to contact douglas.sthamann@rdiec.ca or 306-530-0185. Your student has expressed interest in attending:
