

# CAREER SPOTLIGHT PERMISSION FORM

## Regina Police Service

Regina District Industry Education Council (RDIEC) represents Regina Public School Division, Regina Catholic School Division, Prairie Valley School Division and File Hills Qu'Appelle Tribal Council. The RDIEC organizes Career Spotlights which provide an opportunity for interested Grade 10-12's to obtain information about a specific career area. The presenters indicate to the students what they do in their jobs, why they got involved in their profession and what they perceive to be the challenges and rewards of their particular occupation. The students are then involved in an activity which demonstrates some aspect of the presenters' work world and/or a tour of the facility. For more information about Career Spotlights, please visit [www.RDIEC.ca](http://www.RDIEC.ca)

This spotlight will focus on the Regina City Police. The students will have an opportunity to spend the day at the Regina Police Service Headquarters at 1717 Osler Street in Regina. Students will hear from different departments of the Regina Police Service as to the type of work they do and the training they receive. Students will also learn about the training process and describe the characteristics that they are looking for in a candidate. Students will eat lunch in the classroom. The afternoon will have the students break into groups experience many aspects of policing and also have a presentation about career opportunities, salary expectations and working conditions. For more information about Regina City Police, please check out <http://www.reginapolice.ca>. Students will meet at Campus Regina Public at 1069 14<sup>th</sup> Ave. East in Regina. They will then be bussed to Regina City Police at 1717 Osler Street. They must arrive 10 minutes prior to the bus leaving. The school will allow students to attend and the absence will be excused but students are responsible for all material missed in class that day. If you have any questions or concerns, please feel free to contact Douglas Sthamann [douglas.sthamann@rdiec.ca](mailto:douglas.sthamann@rdiec.ca) or 306-530-0185.
