Saskatchewan Youth Apprenticeship (SYA) Industry Scholarships are valued at \$1,000 and awarded to selected, eligible high school graduates throughout the province who have completed the SYA program and will be pursuing a career in the skilled trades. Students are nominated for SYA Industry Scholarships each April by selected provincial high schools.

The Saskatchewan Apprenticeship and Trade Certification Commission (SATCC) awards approximately 100 scholarships each year. Nomination forms are sent to schools, who are asked to nominate one SYA graduate. The graduate's achievements and dedication to pursuing a career in the skilled trades are considered as scholarship recipients are chosen. The scholarship certificates will be made available for presentation at the graduation ceremony or other event.

The selection of the successful candidate for the **\$1000 SYA Thom designated scholarship** will occur by June 2020.

5. **Apprenticeship Experience beyond your school (Level Three / Challenge Two)** – If graduating Grade 12 students didn't have an opportunity to complete the job shadowing challenge, we will not penalize them for it. Again, students have until August 31 to complete the challenges, so if restrictions are relaxed and there is a summer employment opportunity, that could fulfill the requirement. Similarly, if there is a previous work experience that could fulfill the requirement, that works, too. If the challenge cannot be completed, however, given the current circumstances, we will issue certificates even if this is left incomplete.

It is recommended that students complete an activity in place of this one, you can contact Brent Hill, SYA Coordinator, brent.hill@gov.sk.ca or (306) 787-2368 and he will coordinate a call with SYA's Youth Apprenticeship Manager. He can walk them through what a typical day on a job site looks like.

6. **Career Fair challenge (Level Three / Challenge Four)** – If graduating Grade 12 students didn't have an opportunity to attend a career fair this year, we will not penalize them for it. We understand that all spring career fairs have been cancelled. SYA completion certificates will be issued even if the career fair challenge is not complete.

It is recommended that students complete an activity in place of this one, you can register to "attend" the UofR Virtual Spring Open House on **Friday, May 22, 2020**. This full day of programming includes live and video sessions including virtual career fair sessions.
